PRoTECT project

Online Demonstration Event
in Larissa, Greece

01-02/06/2021

Dear all,
Municipality of Larissa, Greece, invites you all to participate at the two-days demonstration event that will be held virtually on **1st and 2nd of June 2021** and during which the selected companies will present their solutions for public protection in a designated location within the city limits.

The demos will be organized by the following companies:

FAST Systems AG

Apstec Systems

XVR Simulation

NSION Ltd

Terracom S.A.

The **PRoTECT project** is funded by the **European Union's Internal Security Fund – Police** and aims to strengthen local authorities' capabilities in Public Protection by putting in place an overarching concept where tools, technology, training and field demonstrations will lead to situational awareness and improve direct responses to secure public places pre, in, and after a terrorist threat.

In order to participate at the event, you must fill in the following registration form:
